Following the successful patterns of recent years we are holding our day Seminar incorporating the AGM on the Sunday of the BBKA's Spring Convention. Overleaf you will find the Programme for the Seminar and the formal Notice and Agenda for the AGM. We are delighted to welcome two such distinguished lecturers who are to present us with some "cutting edge" information.

Full details of the Seminar and the AGM including Reports and the proposed new Constitution are to be found on the BIBBA website ([bibba.com](http://bibba.com)). For anyone without personal computer access nor through their local library, friend, office, Community Centre etc. a limited number of hard copies will be available at the Spring Convention and the AGM.

The BBKA have organised a buffet lunch at the cost of £5 per head and ask that all attending the Seminar purchase the necessary ticket. Please complete and return with your remittance the form below. Your ticket(s) will be available on the day. Members attending only the AGM may be excused from this requirement.

Finally and very importantly the Committee is anxious to encourage members to volunteer their services to the Committee. Please consider this very carefully – a Nomination Form is enclosed.
